

Your voice
is important.
so let's hear it!

Connecting Care for Children are inviting local children, young people and their families to talk to us about what matters to them

Virtual workshop: Thursday 22 April

5:00 – 6:30 PM

Sign up on [Eventbrite](#)

The workshop offers you the chance to:

- Inform plans for health and care services for children and young people
- Discuss the health and wellbeing worries of your community
- Design services that work *for you*

With a small thank you gift for your time
